Behind the name FoMoCo

Your Ford was built to give you years of safe, carefree motoring. To complete your driving pleasure Ford have introduced the most comprehensive range of accessories offered by any car manufacturer—FoMoCo quality accessories.

FoMoCo is the brand name of every *genuine* Ford part and accessory—it is a name known throughout the world for quality, for every FoMoCo accessory undergoes exhaustive testing before being offered to you the customer. Unlike other brands, FoMoCo accessories are styled specially for your particular Ford model under the supervision of a Ford stylist. This means that you enjoy both styling complimentary to your model plus trouble-free performance. And FoMoCo accessories come complete with all necessary hardware and fitting instructions. For your convenience separate fixing kits are supplied for fog and long range lamps.

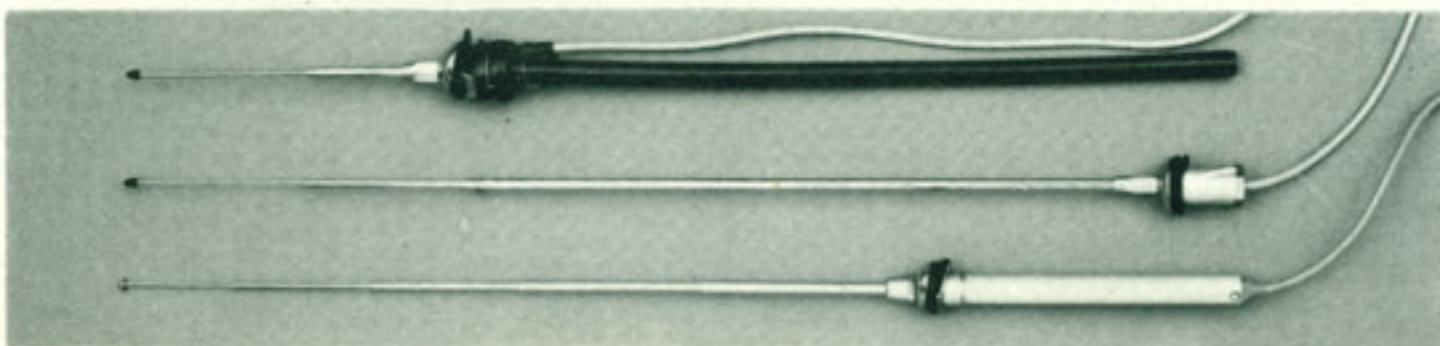

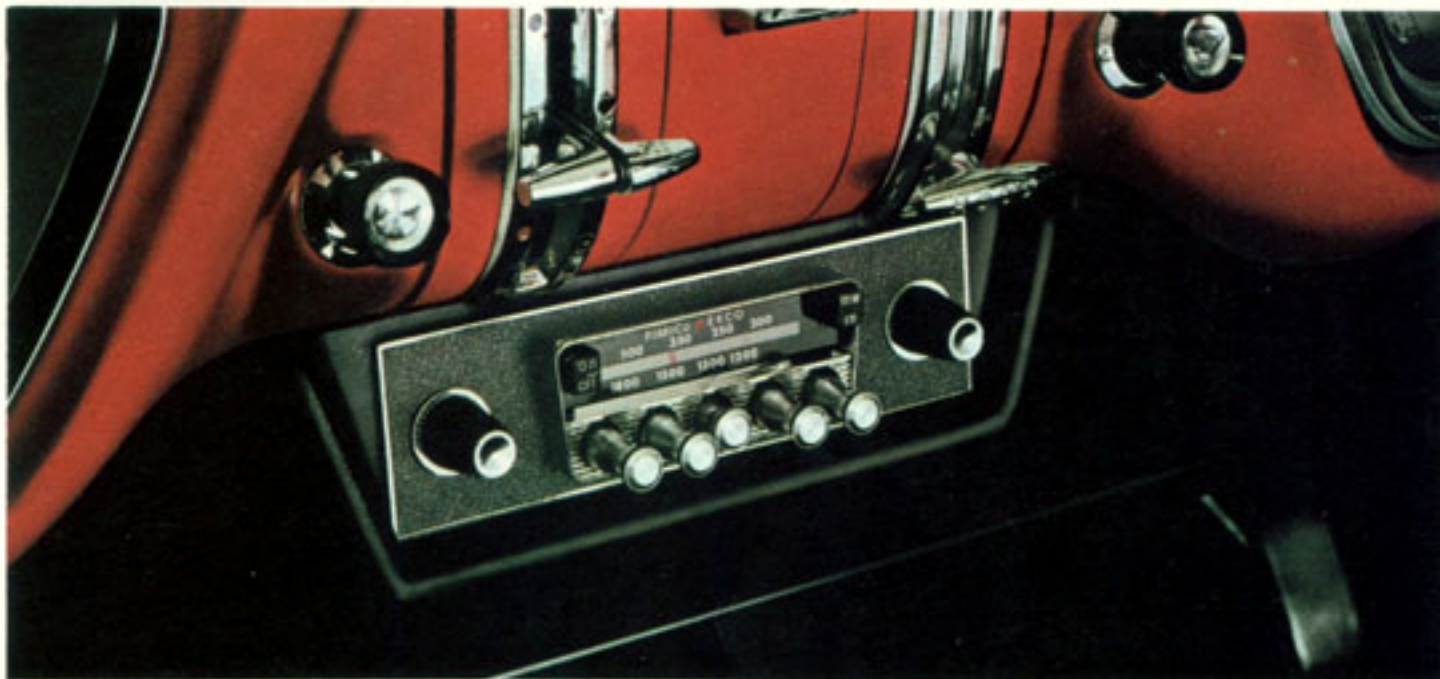

This booklet can illustrate only a selection of the 200 quality accessories available—a number to which we are continually adding for your greater and safer motoring pleasure. Your Ford Dealer will be delighted to give you further information and if required, fit FoMoCo accessories for you at moderate cost.

Only FoMoCo accessories are recommended and guaranteed by Ford, *because they're made right, to fit right, to last longer.*

FoMoCo mirrors

Changing lanes on the motorway, parking in tight spaces, pulling out into busy traffic—these could be hazardous moves without correctly sited wing mirrors. FoMoCo 'come-back' mirrors are exclusively styled for your Ford model and come complete with detailed fitting instructions.

Lightweight, rally mirror in anodised aluminium. Fits all models. Price £1.15.0

Boomerang Wing mirror extends out for caravan towing. Fits all models. Price £1.17.6

Styled mirror for new Cortina with plain or convex lens. Price 26s. 0d.

Corsair mirror with popular sweep-back stem. Price £1.10.0.

Anglia wing mirror with plain or convex lens. Price 25s 0d and 27s 6d each.

Elegantly styled mirror for Mk IV Zephyr & Zodiac. Price £1.12.6.

FoMoCo Overtaker Mirrors. Fit close-up to the driver to give true distance and image, and can be cleaned or adjusted from the driving position — especially useful in bad weather.

Mk IV Door Mirror Sleek rally styled chrome mirror for Mk IV Zephyr/Zodiac models. Price £2.0.0.

Overtaker Mirror Easily fitted to the front window of any vehicle. Fully adjustable. Price 17s. 6d.

Dipping rear-view mirrors. Headlamp glare from following motorists can be a hazard. Don't be dazzled. Fit a FoMoCo prismatic dipping mirror. Flick the tab for normal bright image. Flick again to reduce glare.

Mk IV Zephyr mirror in chrome with marked day/night tabs. Price £1.15.0.

Anti-dazzle mirror in white plastic for Anglia, Cortina and Corsair. £1.8.6

Seat belts

Three belts are available, one of which merits special mention.

FoMoCo Inertia Reel lap/diagonal belt lets you move freely without sacrificing the full safety of a conventional belt. As you move forward or back the reel automatically adjusts the belt to hold you. This unique belt is dual sensitive . . . it locks immediately with any violent movement of either vehicle or wearer, to give you double protection. Unlike ordinary automatic belts you can check your FoMoCo harness at any time—a quick tug on the webbing locks your belt instantly. Easily meets B.S.I. specifications, with strong nylon webbing and simple push-button release buckle. After use reels away for neat, clean stowage.

Child's Safety Harness is designed for the back seat—the safest place for a child. Full harness prevents the child from jack-knifing forward, but does not spoil the child's window view. Easy to fit, and clean. Price £3.15.0.

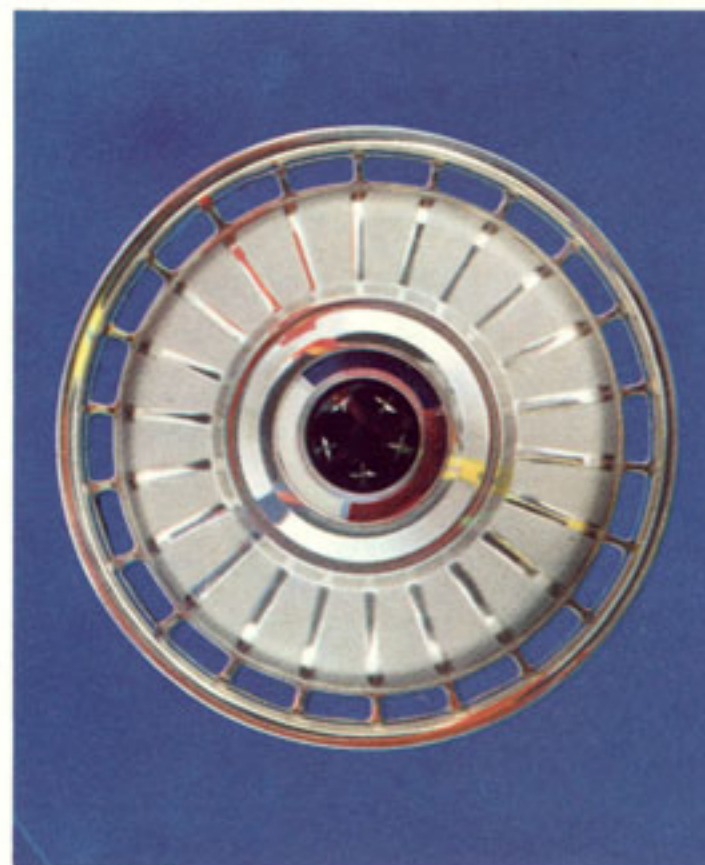

Lap/Diagonal belt gives maximum protection with minimum restriction. Fully approved to B.S.I. specifications with new push-button release buckle, and washable nylon webbing. For all models, price £3.17.6.

Inertia Reel Lap/Diagonal Belt. For Cortina, Corsair and Zephyr/Zodiac models. Price £7.0.0. Belt for new Cortina 4 door models wears sensitive only, price £6.0.0.

Wheel trims

Genuine FoMoCo wheel trims add a touch of extra luxury to your Ford. And their good looks will last for many a year. Made in high purity anodised aluminium they stay bright with little care.

Super wheel cover for all models, in stainless steel £7.5.0. per set of 4.

Trim for Anglia and Cortina models. £3.15.0. per set of 4.

Turbo-styled trims for Cortina, Corsair and Zephyr models. £3.15.0. per set of 4.

Luggage racks

Fords are famous for their generous boot space—Mk IV Zodiac swallows up 20 cubic feet of luggage. But come holiday time you'll find a FoMoCo rack the perfect answer to bulky or awkward excess luggage. Choose from super rigid rack, pack-down touring rack or handy luggage tail grid.

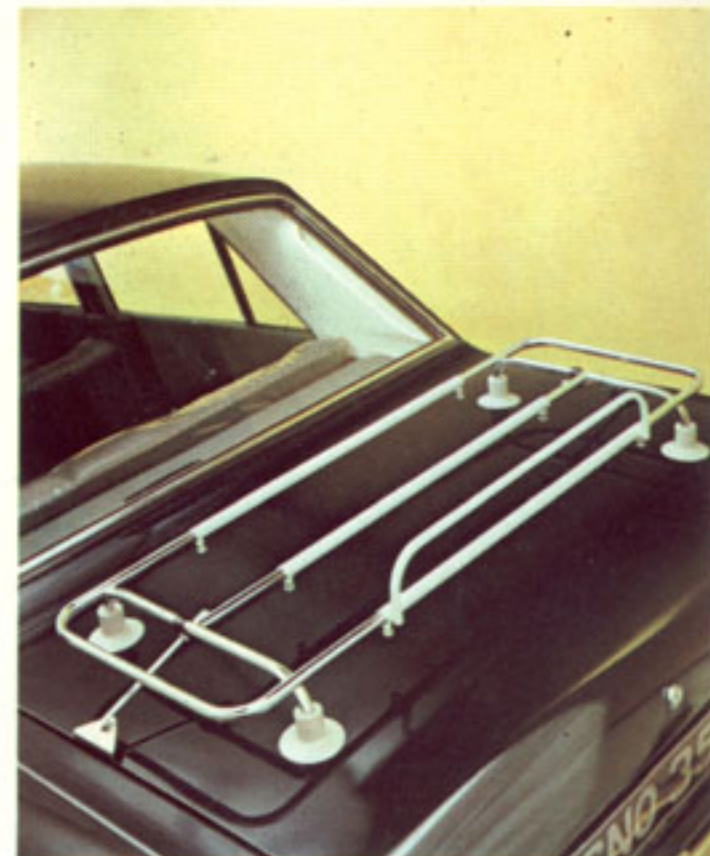

Also available: Elastic luggage grip. Colourful octopus-style grip gets a real hold of luggage. Price 13s. 6d.

Rigid rack in tubular steel carries up to 100 lbs securely. Four adjustable feet make for simple fitting in minutes. In extra hard rust-resisting metal. Price from £6.0.0.

Touring roof rack. Quickly assembled with fully adjustable locking clips to ensure rigidity. Monorail construction and safety rails on all sides. When not in use packs down into a box 3ft by 2in by 6in for easy storage in the boot. Price £4.8.6

Luggage tail grid. Quality chrome grid with non-marking rubber feet. Adjusts to fit most models. Carries anything from a spare wheel to a pair of skis. Price £7.10.0.

Underbody protective compound

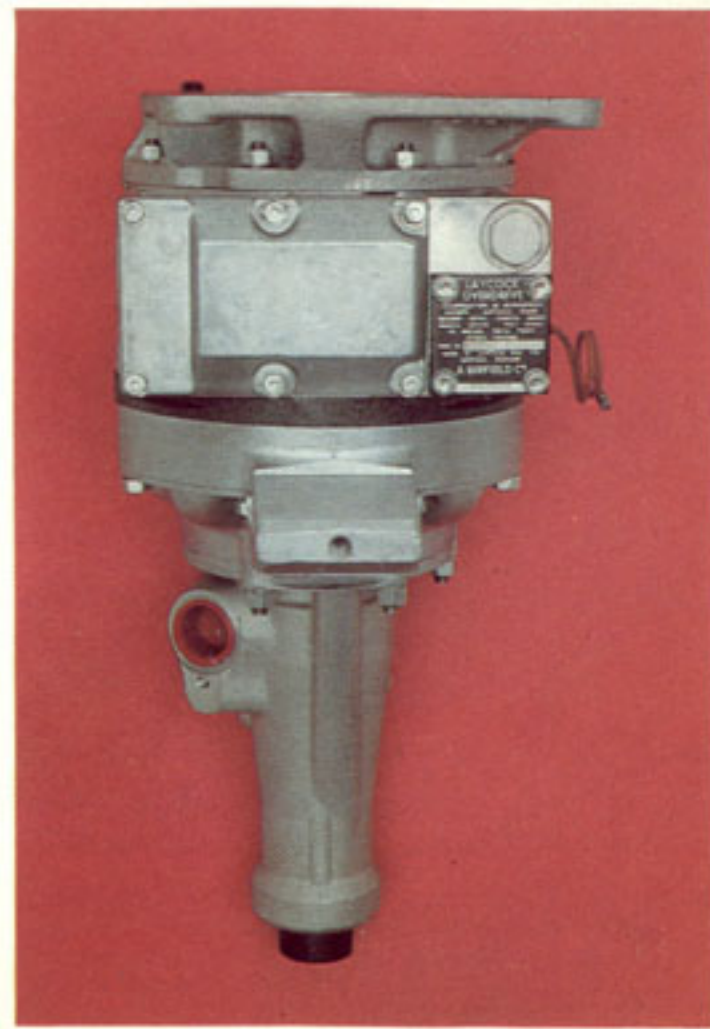

Applied at an early stage FoMoCo U.P.C. will protect your Ford against possible rust and corrosion.

This new lightweight compound adds extra years of life to your car, saves you money in the long run on repairs, absorbs sound and vibration, and adds to the resale value of the vehicle. Your Ford Dealer will treat your car for as low an outlay as £11.10.0, for Anglia models.

Overdrive

A Ford overdrive assembly fitted to your car will more than pay off the initial cost in a very short time. Look at these advantages—more miles per gallon, quieter, smoother, more relaxed motoring, reduced engine wear, enhanced prestige and re-sale value. For Mk IV Zephyr and Zodiac models. Price £60.0.0. Details of fitting charges from your Ford Dealer.

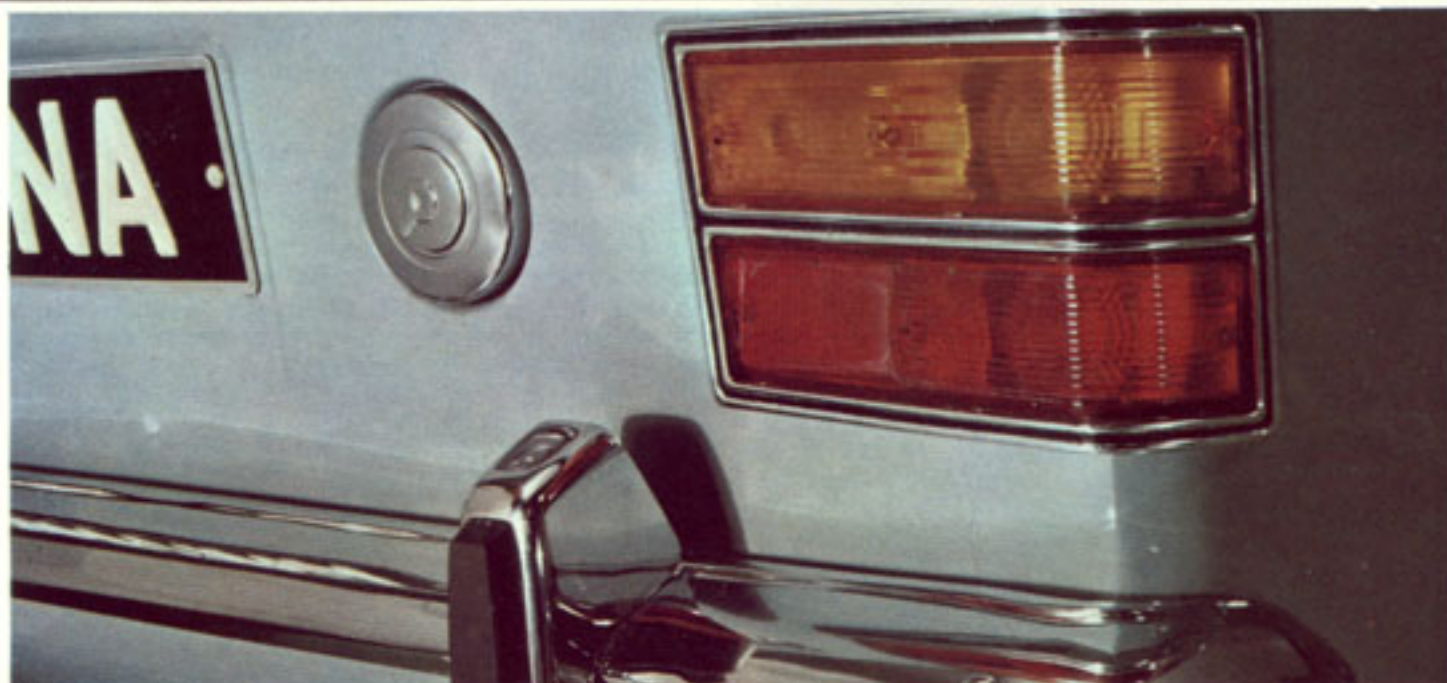

Walnut facia panel

Extra luxury for Corsair V4 de-luxe and GT, and New Cortina owners—superb facia panels veneered in polished walnut, and designed for easy fitting. No need to take off instruments or switches, only the ash-tray, heater control panel and glove box lid have to be removed before fitting over the existing facia. Price £6.15s. 0d.

Petrol locking caps

Petrol pilfering can be a problem—make sure your engine has all the petrol in your tank by fitting an inexpensive FoMoCo chrome locking cap. Price from £1.4.6.
