But there's no point to all that space if you can't get at it. With Transit, access is no problem. In addition to easy walk through from side to side of the cab, and from cab to loadspace, Transit Vans have a choice of:

Hinged Cab Doors

OR Sliding Cab Doors (you can have one of each if you want!)

OR Side Loading Door—either side, one each side.

OR Hinged Rear Doors—which open to 90° or 180°

OR Tailgate Rear Door.

With 18 different combinations of doors available, you can fit your loading/unloading needs—precisely.
