This diagram shows an exploded view of a mechanical device, likely a portable power source or a specialized tool. The components are numbered 1 through 37. The main assembly consists of a handle (1) with a grip (2) and a trigger (3). A series of stacked plates (4, 5, 6, 7) are connected to the handle. A long, thin rod (8) is attached to the handle and extends through a series of components (9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37). The diagram illustrates the assembly sequence and the relative positions of the various parts.
